ELITE SERIES

These sinks are constructed from the finest 16 gauge stainless steel. With 15mm radius corners and a soft satin brushed finish, these sinks will be the focal point of your kitchen. Our handmade sinks come in a variety of undermount styles for solid surface & stone countertops. For replacing your sink in an existing countertop, consider a top mount sink such as the EL-30 or EL-35.

UNDERMOUNT SERIES

Our undermount sinks are produced from durable Type 304 stainless steel and finished with a luxurious soft satin brushed finish for that elegant look. Choose from standard double bowls in equal and large/small configuration, to single bowls and bar/prep sinks. All sinks are designed for undermounting in solid surface, natural stone or engineered stone countertops.

QUARTZ SERIES

Crafted to uncompromising quality standards, our quartz sinks set the industry standard for quality, durability and performance. Combining high grade quartz crystals with pure acrylic resins produces a sink of incredible strength. Extremely resistant to scratching, chipping, staining, and heat resistant over 530°F, these sinks represent the pinnacle of durability.

Q Series: Seamlessly undermounts into solid surface, laminate and stone countertops.

QA & QAR Series: Farmhouse apron front models. QA models feature a deeper 9¹/₄" apron while the QAR's shorter 6¹/₂" deep apron allows for installation into a standard sink base cabinet.

QU Series: Undermount sinks for all solid surface, granite and quartz countertops.

QT Series: Top mount sinks for any countertop.

ACRYLIC SERIES

Developed by a team of chemical engineers, Karran acrylic is a truly unique material. This ultra dense 100% pure acrylic resin is the key to its outstanding performance. Combining the high-performance acrylic with a super strong fiberglass backing creates one of the most durable solid surface sinks available on the market today.
